

Teresa Krynicki ***Administrative Coordinator***

Teresa Krynicki is the Administrative Coordinator for the Gateway for Accelerated Innovation in Nuclear (GAIN). She works closely with the GAIN team to support the GAIN Mission. Teresa has 5 years' experience with GAIN and the Idaho National Lab.

She is instrumental with coordinating the workshops and webinars that GAIN supports for the nuclear industry, developers, and the U.S. Department of Energy. She manages the GAIN website and has been a critical player with the continuing development of the GAIN Advanced Nuclear Directory and University Directory.

Prior to GAIN, she spent 20 years as the office manager for Omni Engineering Inc., a manufacturing company of stamped metal contacts.

Teresa loves family, camping, and spending time with her grandkids. She grew up in Idaho Falls, moved to Southern California where she lived for 30 years, married her husband and raised their two daughters. Five years ago, she moved back to Idaho Falls where she plans to eventually retire.
