

***Emily Nichols***  
***Digital Marketing and***  
***Engagement Specialist***

Emily Nichols is the Digital Marketing & Engagement Specialist for the Gateway for Accelerated Innovation in Nuclear (GAIN). She provides strategic communications, engagement, and marketing support to promote the GAIN program and further engage constituents.

Emily has served in marketing and communications roles for nearly 20 years, including those in journalism, non-profit advocacy, corporations, and government. She holds a BA in photography and writing from Montana State University.

Emily, along with her family, lives at the base of the Teton Mountain Range in Teton Valley, Idaho and enjoys outdoor recreation, art, and live music.
