

Holly Powell ***Project Coordinator***

As Project Coordinator for GAIN, Holly manages the GAIN Legacy Document Project. This includes interfacing with industry to determine legacy document needs, working with contacts within the DOE National Laboratory Complex to locate the documents, setting up document acquisitions and review processes, working export control and public release issues with the labs and DOE headquarters, and ultimately providing the documents to the nuclear industry.

She manages the technical review process for the GAIN NE Voucher Program. This includes managing voucher proposal and review data, interfacing with the voucher review team, coordinating the voucher panel review, capturing and analyzing voucher metrics and technical project status, and supporting the reporting processes of final voucher reports.

Holly is a member of the American Nuclear Society and the Project Management Institute. She holds an MBA from Idaho State University and a BA in Journalism from Brigham Young University. Prior to joining GAIN in October 2020, she served as Treasurer for the City of Blackfoot.
