Stephen Burdick

Senior Counsel,
Battelle Energy Alliance

M&O Contractor,
Idaho National Laboratory

Stephen Burdick is Senior Counsel for Battelle Energy Alliance, the M&O contractor for the Idaho National Laboratory, the nation's leading center for nuclear energy research and development. Stephen advises the Laboratory on Environmental, Safety, Health, and Quality matters for both the continued operation and expansion of the Laboratory, including advanced reactor demonstration projects.

Stephen began his nuclear career as a Nuclear Plant Engineer and Operator at the Knolls Atomic Power Laboratory in upstate New York where he helped train Navy sailors in the Naval Nuclear Propulsion Program. Stephen also practiced law for almost 15 years in the Morgan Lewis nuclear practice based in Washington D.C. There he primarily represented companies on licensing and regulatory matters before the U.S. Nuclear Regulatory Commission and other Federal agencies with an emphasis on new reactor projects.

Stephen earned a B.S. in Chemical Engineering from Brigham Young University and a J.D. from the U.C. Berkeley School of Law.
